CELEBRATION ANNIVERSARY

SEPTEMBER 12, 2015

POLLENZO-BRA

1965-2015

The celebration will include an exciting bound flight in hot air balloon and, of course, a tasty buffet. Moreover, we'll have the pleasure to give you a gift in memory of this very special birthday.

Don't miss the date:

it will be a wonderful occasion to exchange talks and ideas in a soft, relaxed atmosphere. Moreover, you will have the opportunity to have a closer look at and test the full range of our harvesters, and you will discover, along with our latest innovations - such as the multifunction 30140 machine - also a tantalizing preview: the new 2095 EVO.

**WE ARE PLEASED TO INVITE YOU
TO JOIN US CELEBRATING OUR FIRST 50 YEARS!**

**We expect you on the 12th of September 2015
from 10:00 AM to 18.30 PM at our facilities in
